

Gold Star Copy Onboarding Questionnaire

About the Company

What is the first thing you want people to know about Gold Star?

- We are a trusted, customer-first HVAC company that is committed to providing top-quality solutions and honest and reliable service.
- Our job is to keep you comfortable year-round, whether you need emergency repairs, routine maintenance, or a complete system replacement
- We want to build lasting relationships with our customers by delivering on our promises with integrity and professionalism.

How did you get started/ what is your company history?

- We made a promise to always be there when our customers need us the most.
- Over the years we have grown but our core values have stayed the same.
- We serve with a team of highly-trained technicians who are passionate about delivering the best heating, cooling, and air quality solutions available.
- We have expanded our services and stay on top of the latest HVAC technologies to provide energy-efficient solutions.
- We have never forgotten the importance of honesty, transparency, and treating our customers like family.
- As a locally-owned business, we are community-centered. We are proud to support and give back to the community that has supported us for all of these years. Whether it's sponsoring a local event or helping families stay comfortable all year-round, we are always looking for ways to make a positive impact.

What year did you open?

-2019

What are your keys to success?

- Customer satisfaction
- Certified technicians
- Licensed and insured
- Factory-trained expert

- Installs top-quality parts
- Locally and family owned
- Highly rated
- Free estimates
- No hidden fees
- Competitive pricing

What values are most important to you?

- Integrity
- Reliability
- Customer-centric mindset
- Continuous improvement
- Accountability

What makes you stand out from the competition/ why should people choose you over your competitors?

- We treat your home like it's our own
- No pushy upsells or rushed jobs - just honest, respectful service from people who care
- Expertise you can trust, with certified, highly-trained technicians who have years of hands-on experience
- We know HVAC systems inside and out
- We get the job done right the first time
- Fast reliable service - we understand that when your system breaks down, you can't wait for help
- On-time arrivals
- Quick turnarounds
- 24/7 emergency service
- Transparent pricing - no gimmicks, no surprises
- Clear quotes, fair prices, and options that fit your needs, not our agenda
- Local roots and community focus - we aren't a giant chain, we're your neighbors
- We've built our reputation on trust, one home and one customer at a time

What are the main reasons that a customer should choose you for HVAC services?

- Honest and transparent service - we believe in upfront pricing, no hidden fees, and giving you the advice you need to make smart decisions without sales pressure
- Fast and reliable response- whether it's a routine repair or a heating emergency, we're known for showing up on time, working efficiently, and getting the job done right
- Certified, experienced technicians - our team is fully licensed, trained, and experienced in all major HVAC brands and systems
- When you choose us , you get real professionals, not guesswork

- Quality work guaranteed - we stand behind everything we do and, if it's not right, we make it right
- Locally owned and operated - we're your neighbors, not a national chain. We care about our community and our reputation and it shows in our service.
- Energy-efficient solutions - from smart thermostats to high-efficiency systems, we help you save money while staying comfortable all year round

Do you have any certifications, awards, or industry affiliations?

- EPA license
- HVAC license
- Insured

What makes Gold Star the best choice?

- Gold standard service - our name says it all
- We go above and beyond to provide top-tier service every time with no shortcuts or excuses
- Locally owned and community driven - we are proud to serve our neighbors and aren't some corporate office.
- Our reputation is built on trust, word-of-mouth, and taking care of people the right way
Fast, friendly, and always professional - whether it's a freezing night or summer emergency, you'll get quick response times, clerk work, and a respectful team that treats your home like their own
- Skilled, certified technicians - our team is highly trained, fully licensed, and always up to date with the latest HVAC technology and techniques
- We get it right the first time
- Honest pricing with no surprises - we believe in clear communication and fair pricing. You'll always know what you're paying for with no hidden fees or last-minute changes.

Furnaces

What Do Your Furnace Services Include?

- We offer furnace repair, furnace replacement, and furnace maintenance services

What Types of Furnaces Do You Service?

- Gas, oil, and electric

Heat Pumps

What Do Your Heat Pump Services Include?

- Heat pump repair, heat pump replacement, and heat pump maintenance

What Are the Biggest Issues Customers with Heat Pumps Face?

- Heat pumps need to be serviced every year, which includes adjusting the settings and topping up the freon. Safety devices also need to be double-checked and air filters need to be cleaned/ replaced.

Ductless Mini Splits

What Do Your Ductless Mini Split Services Include?

- Ductless mini split repair, ductless mini split replacement, ductless mini split maintenance
- During our services we check the mini split system. These units run off of electricity and so we check the unit's status and look for error codes. We also inspect the refrigerant levels.

What Do Your Commercial Services Entail?

- We offer commercial HVAC services including rooftop units
- We offer light commercial services (small business and grocery stores)

Do You Offer a Maintenance Plan?

- We don't have a specific maintenance plan but we offer maintenance services, we hope to have one in the future.

Do You Offer 24/7 Emergency Repair Services?

- We don't offer 24/7 emergency repair services but customers can call our 24/7 emergency line to schedule same-day or next-day service

How Long Do Customers Wait Between Scheduling an Appointment and a Technician Coming to Their Home?

- We offer same-day and next day services whenever possible

How Does Your Scheduling Process Work?

- Customers call us to schedule an appointment and we use an app that sends them automatic text reminders

What Can Customers Expect on the Day of Service?

- Customers don't have to do anything to prepare for us coming, we will handle all of the work ourselves and leave their homes in the same condition that we found them.
